ELITE SILICONE

Built with Ultra-Hygienic Elite Silicone® each piece in the Anal Fantasy® Elite Collection is hypoallergenic, phthalate and latex-free, and warms to your body temperature.

ELITE DESIGNS

Societies' current love affair with big booties, pegging, and just about anything ass-related has made anal sex mainstream. According to the Journal of Sexual Medicine, the number of people who've tried anal penetration has risen by 20% since 2015 and this number continues to rise. Our new Anal Fantasy® Elite Collection is designed to advance anal play with inventive designs that appeal to connoisseurs and beginners alike.

ELITE SALES

When customers are looking to take anal play to the next level, the Anal Fantasy® Elite Collection is the premier choice for high-end anal arousal and prostate play. Every Anal Fantasy® Elite Collection package is exquisitely crafted for an elite store presentation to help provide maximum sales results.

P-Motion Massager™

The P-Motion is strategically designed to rock your prostate—it features a tapered tip to ease insertion and an angled head that houses a micro-bullet within the silicone to deliver super-strong vibrations directly to your P-Spot. Choose between five powerful patterns of vibration and get ready to enter a world of bliss. But that's not all—hidden beneath the second bead of this incredible anal massager are two rolling balls that continuously move up and down within the soft silicone. This unique massage mechanism rocks like a seesaw against the sensitive nerve endings in the sphincter, stimulating the anal opening like a gently prying finger. As the tiny pleasure balls teeter back and forth inside of you, the head of the massager will also wiggle, pushing against the sensitive prostate while it excites you with each buzz.

Thrusting!

SCALA nr. 22297

Vibrating Ass Thruster™

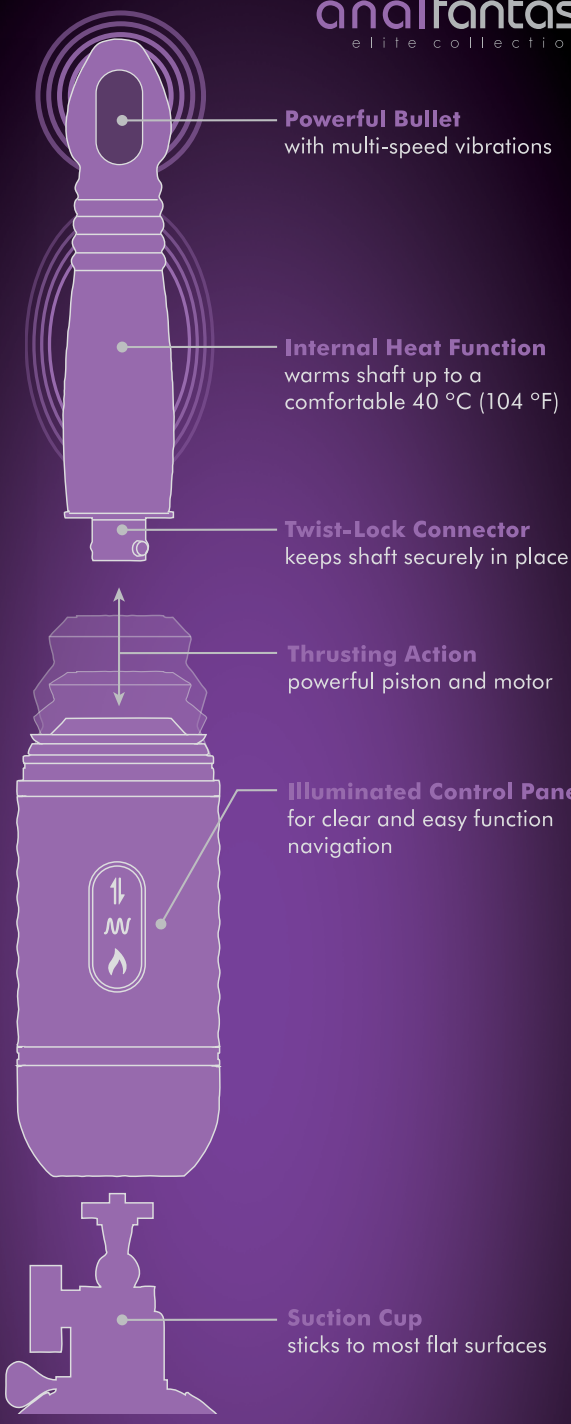

The Vibrating Ass Thruster is the most advanced cordless anal thrusting vibe we've ever designed! At first glance you might mistake the discreet cylinder for an ordinary Bluetooth speaker, but once you unscrew the lid and attach the warming vibrator and suction-cup base, you'll be ready for a wild ride! With seven incredible patterns of vibration and seven thrilling thrusting modes to choose from, the pleasure possibilities are endless!

The Vibrating Anal Thruster features a powerful vibrating bullet at the tapered tip, a strong thrusting piston powered by a rechargeable Japanese motor, and an internal heating core that warms the shaft up to 40 °C (104 °F) with the push of a button. With separate controls for vibration, thrusting, and warming, you're in total control of the fun!

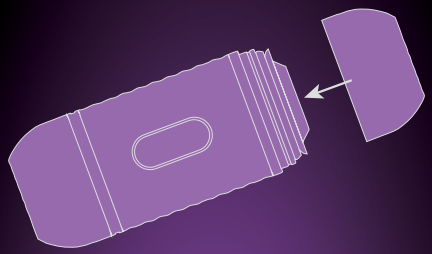

The removable suction-lock base screws into the bottom of the thruster, allowing you to use the unit hands-free while it sticks securely to nearly any flat surface. The suction-lock base features an adjustable tilt screw that will help you get the perfect angle every time! Unscrew the base and the compact thruster fits ergonomically in your hands for up-close, intimate fun without any messy cords to get in the way!
